25th Anniversary**

Breast Cancer Virtual Benefit

VIRTUAL EVENT – Thursday, October 29, 2020

"Pinking of You" Silent Auction Form

We invite you to be a part of the exciting and important work of St. Vincent's Medical Center Foundation's Breast Cancer Virtual Benefit celebrating its 25th Anniversary in support of the SWIM Across the Sound.

The Breast Cancer Virtual Benefit enables St. Vincent's to offer free and subsidized mammography screenings, cancer prevention programs and one-on-one financial support to people who have barriers to care. Last year, with your support, the SWIM helped 30,000 individuals in our community.

In the spirit of togetherness, during a time when we are apart, can we count on your support with an item or basket of items inspired by someone in your life, past or present, who you would like to recognize in this year's "Pinking of You" Silent Auction?

This year, due to COVID-19, we cannot hold our live event. Instead, we are hosting a virtual event featuring Speakers, Flowers of Faith Sponsorships, Paddle Raise and an online "Pinking of You" Silent Auction. The "Pinking of You" Silent Auction will allow you to put together a thoughtful assortment of items donated in honor of someone near and dear to your heart. Items should reflect the personality of the individual you are honoring. Along with your donation, please include a brief story about the person you are honoring and what the items you have chosen symbolize. Names may be anonymous.

The "Pinking of You" Silent Auction will be open to bidders one week prior to the virtual event and will remain open for a half hour after the event to allow attendees enough time to place their bids. A link will be sent to all attendees prior to the opening of the auction.

On behalf of those who will be helped through your generosity – thank you for caring!
