

We would like to invite you to support St. Vincent's Medical Center Foundation's Women at Heart event to benefit underserved women in the community at risk of heart disease. On April 24, 2019, St. Vincent's Medical Center Foundation's 8<sup>th</sup> Annual St. Vincent's **Women at Heart** event will be held at Mitchells in Westport.

All net proceeds from the evening will go directly toward providing preventative, diagnostic and educational cardiac services to underserved women through St. Vincent's Medical Center Regina L. Cozza Cardiology Center's **Women at Heart Program**.

Last year, supporters helped us raise more than \$100,000 which enabled approximately 2,000 women to become more educated and receive life-saving screenings in order to significantly reduce their risk of heart disease. **Your support helps save lives.**

**Wednesday, April 24, 2019  
6:00pm – 9:00pm**
